

SATS:2023

September 20-22, 2023

**Welcome to
Odense, Denmark!**

The 14th Joint Scandinavian Conference in Cardiothoracic Surgery SATS2023

Dear industrial collaborator,

We cordially invite you to the 14th Joint Scandinavian Conference in Cardiothoracic Surgery in Odense September 20-22, 2023. The meeting is organized by the Scandinavian Association of Thoracic Surgery (SATS) together with the Danish Association for Thoracic Surgery, Scandinavian Association for Extracorporeal Technology (SCANSECT) and the Scandinavian Association of Thoracic Nurses (SATNU). The congress venue is Comwell H.C. Andersen Odense.

There will be an exciting scientific program on a variety of heart valve surgery, coronary artery surgery, aortic surgery, lung cancer surgery, mechanical circulatory support and more. A number of internationally renowned speakers have already confirmed their participation. We expect around 300 participants from the Nordic and Baltic regions, spanning the specialty fields of cardiothoracic surgery, anesthesia, perfusion and nursing.

The abstract session will be covering scientific studies and clinical cases with oral and poster presentations. Details of the scientific program will be available on the Congress website, www.sats2023.com

On Wednesday we offer you a possibility to create workshops in cooperation with the president of the meeting if you are a Platinum or Gold sponsor. It is also possible to arrange industry related breakfast & lunch-symposiums. Additionally, sponsored presentations and commercials announced during the meeting are possible according to agreement. The on-site exhibition will take place outside the main conference hall. All coffee breaks will be held there to ensure exhibitors will receive the best possible exposure.

Looking forward to receiving your support of our meeting in September!

SATS/SCANSECT/SATNU

Lars Peter Riber, President of the SATS 2023 meeting
